**A Proclamation of the Board of County Commissioners  
of Las Animas County, Colorado, declaring  
the month of April, 2010, as  
“Dig Safely Month in Las Animas County, Colorado”**

- Whereas,** It is important for excavators, contractors, and homeowners to know that State law requires them to call the Utility Notification Center of Colorado before undertaking any excavation or digging project; and
- Whereas,** Colorado established the One Call Notification System in 1986, as a fast, easy, and comprehensive way to ensure that underground facilities are properly marked before any digging or an excavation project begins; and
- Whereas,** During the month of April, the Utility Notification Center of Colorado, in partnership with the Common Ground Alliance, wishes to gain support by getting their message out “811, Know what’s below, call before you dig;” and
- Whereas,** The Board of County Commissioners recognizes the Utility Notification Center of Colorado for its efforts to prevent accidents and injuries and to keep the citizens of Las Animas County safe as they undertake excavations.

**Now therefore, be it Proclaimed by the Board of County Commissioners  
of Las Animas County, Colorado, that:**

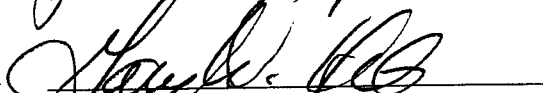

The month of April 2010, is hereby proclaimed to be:

**Dig Safely Month in Las Animas County, Colorado**

Introduced by motion, made and seconded, and an affirmative vote, this Proclamation is made this 6<sup>th</sup> day of April, 2010.

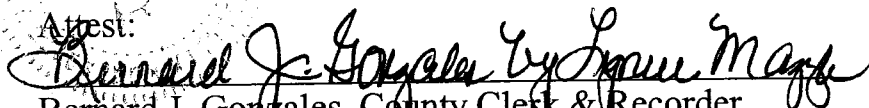

**By Order of the Board of County Commissioners of Las Animas County, Colorado.**
