

**Know what's below.
Call before you dig.**

The education that could give you peace of mind...

LOCATOR DEMO 2010

If you want to learn how to properly pre-mark your dig area, interpret marks on the ground, or how you can use a locator's sketch to prevent damages, the DMDPC is for you. If you are interested in learning more about how locators do their job, the DMDPC is for you. If you have any locate questions, please attend. Alan Galvez, with ULI, and Heath Buster, with Xcel Energy, will give the locator presentation. Andy Colony, with Comcast, Darrel Vanhooser, with Suncor, and Sam Pegues, with Denver Water, will also explain their companies locating policies.

When: July 13th, 2010 at 9:00 am

What: DMDPC (Denver Metro Damage Prevention Council)

Where: Utility Notification Center of Colorado

16361 Table Mountain Parkway

Golden Colorado, 80403

Space is limited so please RSVP if you plan on attending!!!!!!

Everyone is invited, donuts and coffee will be served...Please feel free to join us to express your concerns or comments, gain new business contacts, and share best practices. If you have any questions call Brent at 303-205-6365 or Bryce at 303-531-8217.
